STATEMENT UNDER 37 C.F.R. § 1.133(b)

Sir:

In response to the telephonic interview conducted on February 24, 2010 and the Interview Summary dated March 2, 2010, the following remarks are respectfully submitted in connection with the above-identified application.

Interview Summary

Applicants note with appreciation that on February 24, 2010 the Examiner participated in a telephonic interview with Applicant's representative. The rejection of claim 1 was discussed with reference to the Examiner's interpretation of the recited limitation "each of the plurality of pieces of graphic link information associates a single graphic image from among the

plurality of graphic images with a plurality of different main video images". Applicants' representative asked the Examiner to identify the element of Tahara the Examiner considered as corresponding to the "single graphic image" recited in claim 1. The Examiner stated that the Examiner considered the keywords "HOW TO GREET", "HOW TO ANSWER" and "HOW TO SELF INTRODUCE" taught by Tahara as corresponding to the single graphic image recited in claim 1. Applicants' representative explained why the keywords taught by Tahara did not correspond to the "single graphic image" recited by claim 1. The Examiner then presented a new argument referencing a portion of Kim. No agreements were reached.

CONCLUSION

Should there be any outstanding matters that need to be resolved in the present application; the Examiner is respectfully requested to contact the undersigned at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY, & PIERCE, P.L.C.
